

# There are 3 ways to Respond to Texts

1. You might want to respond with how you feel about the text. This means you would be writing a reflection.
2. You might want to respond to the argument or arguments in a text. This means you will write about how you agree or disagree with the author's ideas.
3. You might want to respond to how the text is written. This means you will evaluate the text and analyze how successful the author was at using rhetorical appeals or literary concepts.
