Thinking Critically About Abortion (Nobis and Grob)

This book introduces readers to the many arguments and controversies concerning abortion. While it argues for ethical and legal positions on the issues, it focuses on how to think about the issues, not just what to think about them. It is an ideal resource to improve your understanding of what people think, why they think that and whether their (and your) arguments are good or bad, and why. It's ideal for classroom use, discussion groups, organizational learning, and personal reading.

- Front Matter

- 1: Introduction
2: Defining “Abortion”

3: Fetal Consciousness & Facts about Abortions

4: "Question-Begging" Arguments & "Everyday" Arguments

5: Better Arguments- Philosophers’ Arguments
6: Conclusion

7: For Further Reading

8: Discussion Questions
